## Campaign donations

Since we do not yet receive party financing, we are also dependent on donations. Here are some examples of how we will use the money for the election campaign:

- With 3€ we will hang up a poster
- With 70€ we can hang up a large poster for one day
- With 300€ we can pay the fees and equipment of an information stand
- With 900€ we can place an advertisement in a newspaper

## The history of Volt

March 2017

In response to the Brexit and growing populism and nationalism, Volt was founded as a political movement for a more united Europe.

October 2018

The [Amsterdam Declaration](#) was written as the first political manifesto and used for the European elections.

May 2019

In the European elections, Volt won a seat in Parliament and joined the Green/European Free Alliance group.
