What makes us different

A European Program

We stand for the same values and core ideas across Europe

A European Team

We work in European teams and bring the best from all over Europe to Frankfurt

Focus on citizen participation

We create, promote and support citizen participation and initiatives

Campaign donations

Since we do not yet receive party funding, we also rely on donations. Here are some examples of how we will use the money for the election campaign:

- With 3€ we hang a poster
- With 70€ we can hang a large poster for one day
- With 300€ we can pay the fees and equipment of an information stand
- With 900€ we can place an ad in a newspaper
